### Influencing Quotes from NVISians to move further:

When you read the quotes we have picked out, what do you think they all have in common? Growth Mind set, lifelong learners is what we think of when we read those quotes. Basically, the quotes show that we must not be defeated, we must chase passion, we must give 110%, we must have courage, and we must do or take action. Having a growth mind set is a belief that we can control our own ability and we can learn and improve. The key to success is having a growth mind set and this is aligned with our Cancer awareness campaign as well. NVIS raises the flag of

**“ Together we will defeat Cancer, together we will make a difference “**

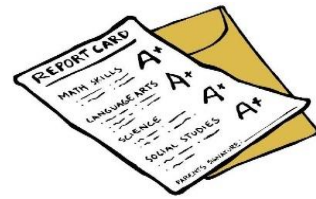

Some key words or phrases associated with having a growth mind set are:
