

School Reopening Updates

Dear valuable parents,

Greeting, we are writing this letter to keep you updated with our plan and to provide you with information needed to prepare for the 2020/2021 school year. This plan will be implemented till October 17th and can be modified or revisited in response to any change in the challenging circumstances we are facing or upon instructions from Ministry of Education and Ministry of Health.

As previously mentioned we will open our doors on **September 6th for MYP, DP and American** and **September 15th for PYP** applying the “**Hybrid**” model, as we will split the week totally between PYP and MYP which will give us the advantage of using all areas indoors and outdoors with half capacity of students, also allowing us to allocate students during break time in different areas. Our main priority will always be the minimization of risk to children, families and staff.

School Day

PYP 2-3

- Will visit school campus every Tuesday, Wednesday and Thursday.
- From 8:00 – 12:30

PYP 4-8

- Will visit school campus every Tuesday, Wednesday and Thursday.

- From 8:00 – 1:30

DP

- Will visit school campus every Sunday and Monday /Extra day upon schedule updates
- From 8:00 – 1:30

School gates will open at 7:45 am

PYP 2,3 will be using Gate 1

PYP 4,5 will be using Gate 1

PYP 6,7,8 will be using Gate 2

MYP 1,2,3 will be using Gate 1

MYP 4,5 DP will be using gate 2

American will be using Gate 2

Daily Health Check

Parents are requested to check their children before coming to school. Children with temperature of 37.5C or higher will not be permitted to take the school bus or enter the campus.

If you suspect unusual symptoms such as cough, sore throat, runny nose headache or nausea please keep your child at home.

NB: DO NOT SEND YOUR CHILD IF YOU SUSPECT THEY ARE INFECTED

Matrons and bus drivers will be wearing their masks or face shield all the time. All students and staff will be temperature checked and hand sanitized before getting on the bus. All students and staff must be wearing their face masks. Buses will be sanitized daily.

Kindly note that any student who is symptomatic while on campus will be taken to the designated isolation room and the parent will be asked to collect him/her immediately

Hygiene & precautions

Children will be instructed to wash and sanitize their hands regularly. They will be encouraged not to touch their eyes, mouth and nose and avoid sharing personal items.

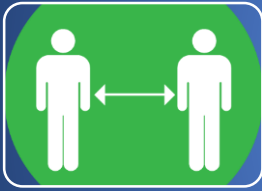

School cleaners will be onsite throughout the whole school day and will repeatedly clean anything touched frequently like surfaces, door handles, switches ect.

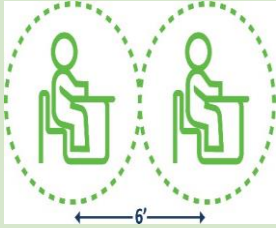

Children in PYP 2,3,4 ,5 will be asked to wear a face shield, upper grades must wear face masks. Children must have an extra mask with them in case it's needed.

All students must have their own school supplies at all time no sharing will be allowed. List of stationary required per grade levels will be attached below.

Social distancing

We will be using PYP building as well as parts from MYP building to maintain 1.5 meter distance between students. Also classes will be divided in smaller groups. Schedules together with students' groups will be sent later. All students will go through health and safety orientation session on their first day of school by their teachers. There will be no morning line.

Students will be allocated in different play areas to avoid crowding and a different schedule for breaks will be set. Outdoor games and picnic tables will be regularly disinfected and matrons will monitor the games to control the children's flow.

Canteen service

Canteen service will be available from 20th of September with pre-packed food, so please provide your children with decent meals until then.

Additional Information

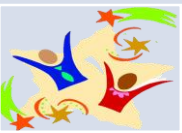

Students from PYP 4 and above are required to use a tablet with school books downloaded on it. Tablets must be handed to the library staff from August 30th, to September 3rd labeled and covered for books downloading. For Android tablets it must be no less than 2GB of Ram or higher. For IOS 512 MB or higher. Screen of 7 inch or bigger. You can choose any brand like Samsung, Huawei, Alcatel. Apple etc. We highly recommend the availability of a printer at home for MYP, DP and American sections.

Online schedules and live lessons will be available on Home based learning from 8:00 am as per given schedule. Recorded sessions will be provided for working mothers in lower grade levels (PYP2 to PYP6)

Students attending online days must be dressed properly

There will be no school events or trips until further notice

Visitors and parents will only be allowed if they have a pre-appointment or for essential business and everyone must be wearing mask and follow our sanitization protocol. Parents can ask for online meeting in case needed.

The health of NVIS students, staff, parents is a shared responsibility
Please support us by stressing on you children to follow safety measures carefully and abide by school rules and guidelines to ensure safety for us all. Appreciate your cooperation in all unusual circumstances we are facing.
